

MIGRATION—Intercessory Prayers

For migrants and all those who have to flee their native land because of threats to their safety and well-being, we pray to the Lord

For those who experience such suffering in their native countries that they are forced to seek refuge elsewhere, we pray to the Lord

For our fellow citizens and peoples of all nations that we would open our hearts to receive migrants and all those seeking asylum, we pray to the Lord

For ourselves and all people of good will that we be able to see all migrants and those seeking refuge as God sees them, we pray to the Lord

For our government leaders that they work together for humane reform for our laws that affect the lives of those seeking refuge in our country, we pray to the Lord

That government leaders would enact laws that protect our borders and at the same time respond lovingly to migrants and those seeking refuge, we pray to the Lord

For the safety of those who have to flee their country, especially the children, we pray to the Lord

For God's blessing on Sister Norma and all those who dedicate their lives that migrants and refugees be treated with the dignity that is theirs as children of God, we pray to the Lord

For a growing awareness of the root causes that force people to migrate and flee their native lands, we pray to the Lord
